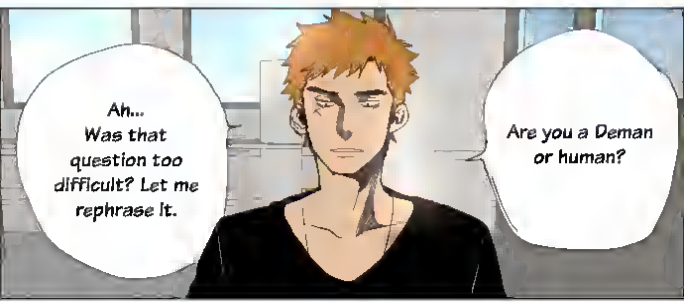
Just answer one thing.
After that, we'll let you go.

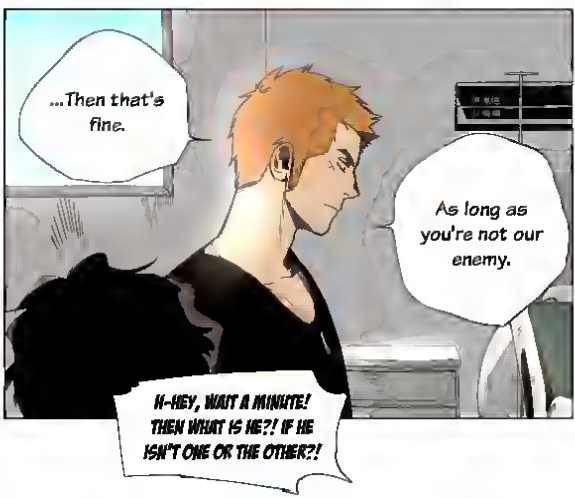
Who are you?



Ah...
Was that question too difficult? Let me rephrase it.
Are you a Deman or human?

Neither.

If you are talking about those with horns... I am not one of those, nor a human being.



...Then that's fine.
As long as you're not our enemy.
H-HEY, WAIT A MINUTE! THEN WHAT IS HE?! IF HE ISN'T ONE OR THE OTHER?!

Isn't it enough that he isn't a Deman?
Well...

Then give him some treatment and let him go. He seems to be a little hurt in the head.
What was the point of us coming here?

Underground...
Could that place be...
That's right.
The place where 'God' resides.

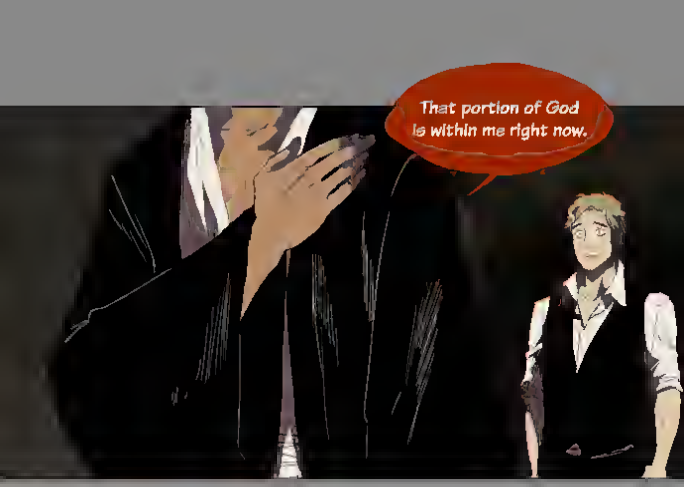
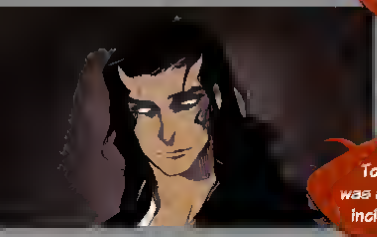
...God...
Um... Ares-nim? May I ask a question?
If you're talking about God, isn't God dwelling within your body right now?
Then what God is Ares-nim talking about...
God also dwells within me.
But only a portion of God.



A... Portion?

I was under the impression that you absorbed all of Lessa-nim's strength.

Th-Then... Was Lessa-nim not God after all...?



He was... A God. To be more precise, he was a god before a certain incident occurred a long time ago.

Lessa-nim is one half...

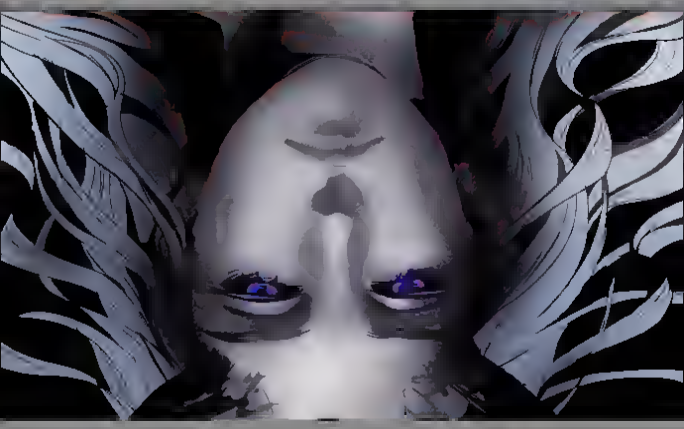
Of a full piece.

But now, since I collected that power from him, he's as good as an empty shell.
Lessa-him wasn't aware of the fact that he had been split.
He believed he was fully intact.

As his power was split, should I say he grew more foolish?

In the beginning... When I was with him, he wasn't that foolish.

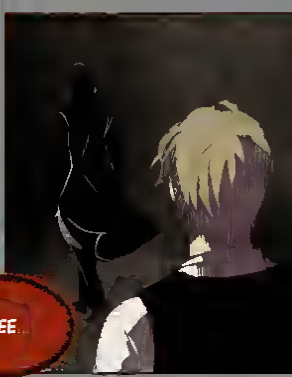
He was a great and beautiful entity.



The God of night and death, 'Lessa'

...Even if I tell you all this, you won't understand just how great he was.

Even having half of his powers is incredible.



...I SEE...

THE REASON WHY ARES-NIM COMPARED LESSA-NIM TO A BALLOON...
IS BECAUSE HE HAD PLANNED TO TAKE HIS POWERS FROM THE START
IF THAT'S TRUE, BEYOND THIS TUNNEL...
HE'S SAYING THE LATTER HALF OF GOD IS THERE

If I act like I do not know anything out of my own personal resentment, especially to a person who has been going through such difficult times, that is the same as taking revenge.
He has not done anything that deserves revenge.

Revenge is not something where only one being gets hurt.
Had I acted like I did not know, what would become of that young girl?

That is why I decided to help...

Is this... Heaven...?
LESSA-NIM!

Lessa-nim!
So in the end, you saved me after all?!

Lessa-nim...?
AN UNUSUALLY WEARY FIGURE

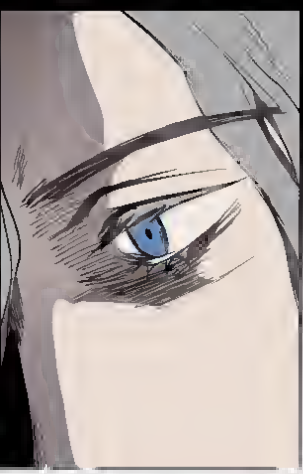
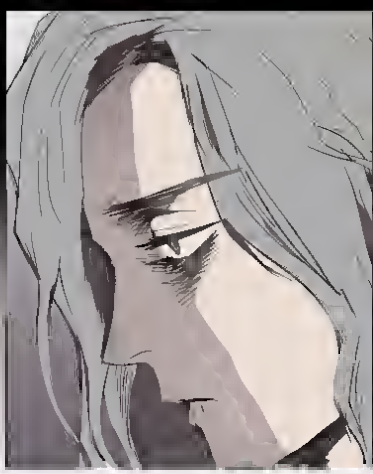
EYES THAT TELL COUNTLESS WORDS...

BUT EVEN THEN...



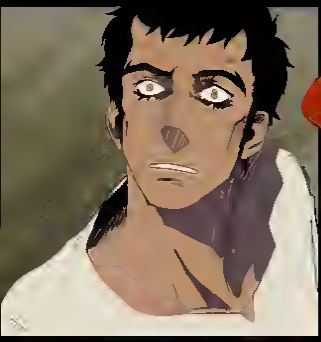


I CANNOT UNDERSTAND A SINGLE ONE.

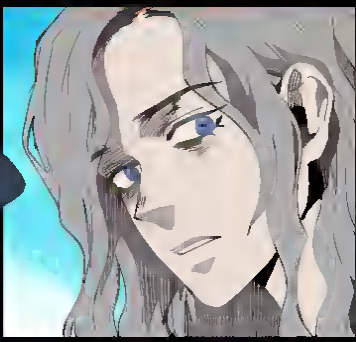
Let's go.

Starting today, I am not a God.

I am also not your teacher.



Eh...? What are you saying suddenly...?

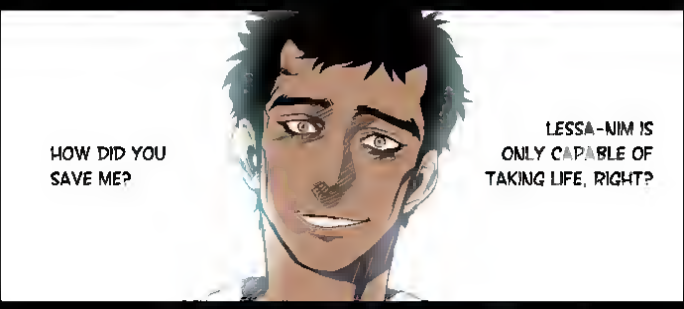


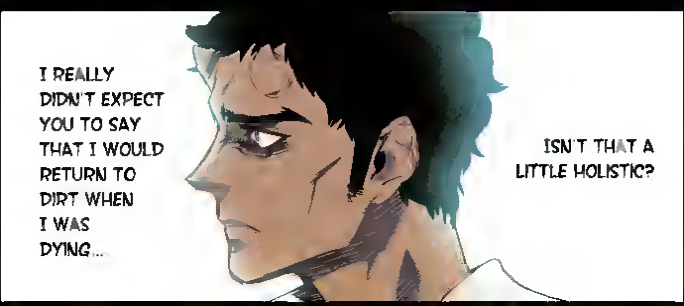
You are also not a human.

Do you think it's alright to mix into a world of humans?

AS I WATCHED YOUR BACK...

COUNTLESS THOUGHTS SWIRLED IN MY HEAD.





WERE YOU FURIOUS THAT I THREW LESSA-NIM ASIDE AND LEFT?
I BET YOU THOUGHT THAT I DESERVED IT.
I APOLOGIZE
THANK YOU FOR LETTING ME LIVE...
WHERE ARE YOU TAKING THIS ARES?
LESSA-NIM...

HOWEVER, WHAT CAME OUT OF MY MOUTH WERE JUST THESE WORDS...

Do you regret...
Saving my life...?
I REGRET ASKING YOU THAT QUESTION TO THIS DAY

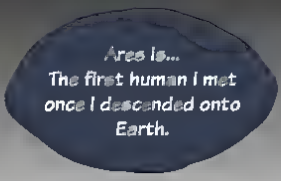
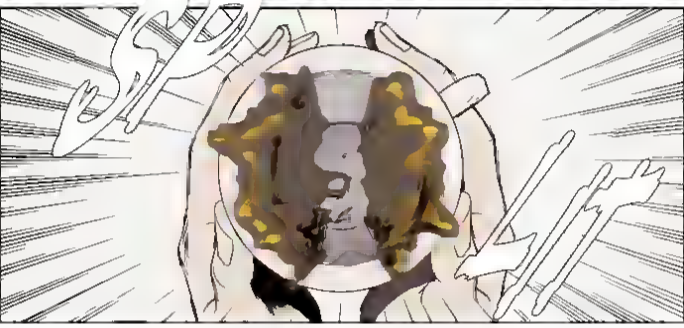
THE ABANDONED CITY



I was furious for giving part of my strength in order to save that child.
He is the cause of creating those horned people.
They are beings that are neither human nor God.
Right... So basically, you are the root of all the evil.
Exactly what ARE you to make this all possible? An alien?

I have seen it clearly.
I am both a being from the external world and the internal world.
Before long... You people referred to me as...
'God'
!!!
WOBBLE
Pffft
He's completely crazy!!
Look here...
You can't say something like that so simply...

God, you say.
So you're saying I'm having a conversation with God right now?
Hoho... You must be getting senile... Seriously...
I'm sorry but... If you really are God, then isn't everything kinda hopeless...? You even said you stole some bread...
I still haven't stolen any bread.
You said you're corrupted!
Th... Then... Small humans...
Why don't you take a look at this?
Who the hell's small, huh?



*T/N: I'M GUESSING BRUCE ALMIGHTY? THAT'S WHAT THE COMMENTS ASSUME AS WELL

A miracle.

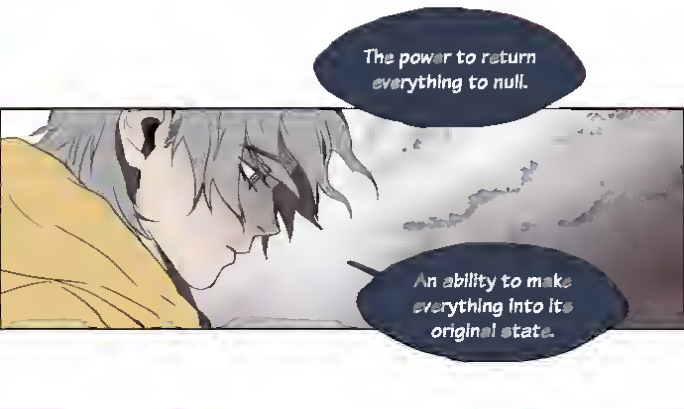
Because Ares took away my powers, I cannot do much

When you say powers, do you mean God-like abilities?
Yes.
Long long ago, I have descended in the shape of a human into this world.
Although my body remained in the external world, I dragged out that power and used it.

In order to use that power, 'Permission' is needed.
The day I gave Ares some of my strength, the door to the external world had closed.
This meant that the power of God I could utilize was limited.
Except for just one ability, which was enough strength to subdue Ares if needed.
'He' had considered the possibility that everything could turn out like this...

But ironically,
Ares had taken that power
from me.
CLENCH
It might be
impossible to even stop
Ares at this point.

What ability is it,
that Ares took from you?
That'a...



The power to return
everything to null.
An ability to make
everything into its
original state.

Whether it is living beings or inanimate objects...
If he wants, everything within his view, no matter what it is...
That's possible?
I know!
Are you talking about how you made that chair into nuli a while ago?
Right. It is an ability that must not fall into the wrong hands.
...That's discomforting.
So according to what you're saying, humans don't even stand a chance?

But Rainold, that isn't exactly the case.
I'm not exactly sure how... But I needed to gain permission in order to use my powers.

From a different God that resides up there...
?

The God who grows by feeding on darkness...

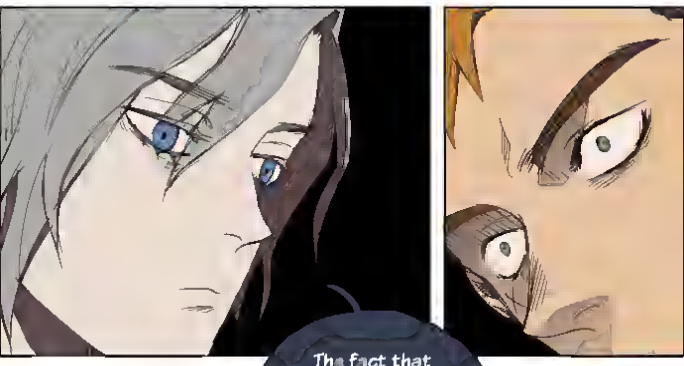
No.

That is why I know.



The fact that she did not want to become one of them...

She was suffering.

She couldn't even see the blue sky? For 5 years...

Who the hell made her that way...?
That day happened to be her birthday.
She went out to meet her friends and that was it.
She was a gentle girl that wanted to just play with her friends...

What?!
IS THAT SOMETHING THE CAUSE OF ALL THIS SHOULD SAY?!

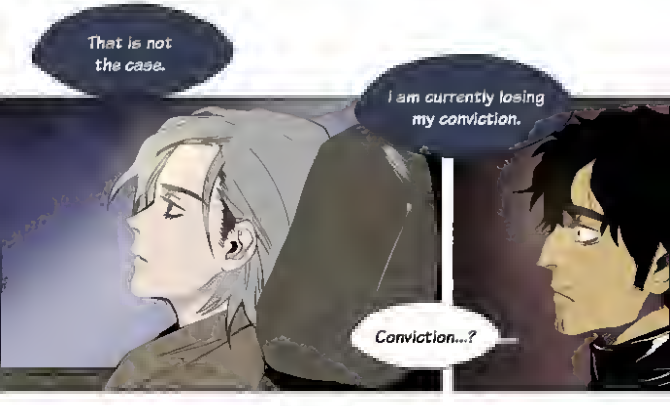
Hey.
I heard from Rano that you packed quite a punch
Do you have unlimited strength? Being a God and all...



That is not the case.
I am currently losing my conviction.
Conviction...?

Everything around me is like flowing water
I am sure of what it is...
But I cannot grasp it.

And eventually...

I began to agonize...

And began to hesitate.

What the hell? It's painful enough to listen to all that...

Almost feels like when you listen to your mother's worries...

This talk fills you with pain?

Yeah. So let a end this talk.

Well basically, don't talk about such somber things in front of a human... It makes me nervous

WHY IS HE BEING SO ROUNDABOUT IN TELLING ME THAT HE HAS NO CONFIDENCE TO FIX EVERYTHING HE DID?

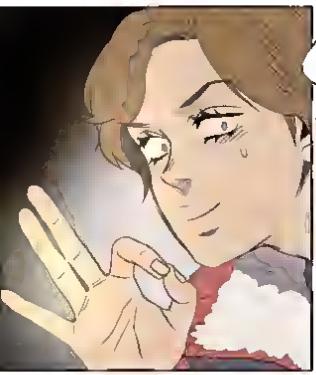
No, no!
BA
I'm carefully listening to what you say, so keep on talking!
BAM!
!!!
WAAAAAAGH!!
CLUNK
?
WHEN DID YOU...?!
WHAT THE HELL?! WHY ARE YOU GUYS HERE?!

Whst's wrong? I'll just watch.

WAAAATCH~?! THIS ISN'T A PICNIC, YOU KNOW!!

Research!

I'm just here for some research, alright?

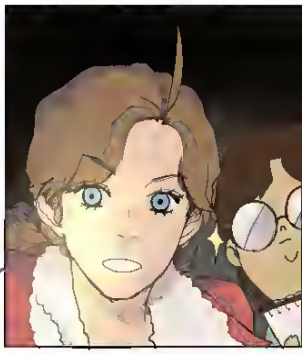


THIS SO-CALLED GOD OVER HERE...

I MUST SEE HIS STRENGTH WITH MY OWN TWO EYES

Hey!

If you don't mind, may I ask a couple questions?

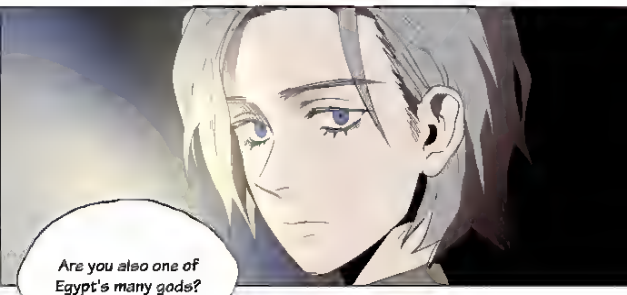


The 'Sun God Reh' you mentioned is the name of the god of Egypt, right?

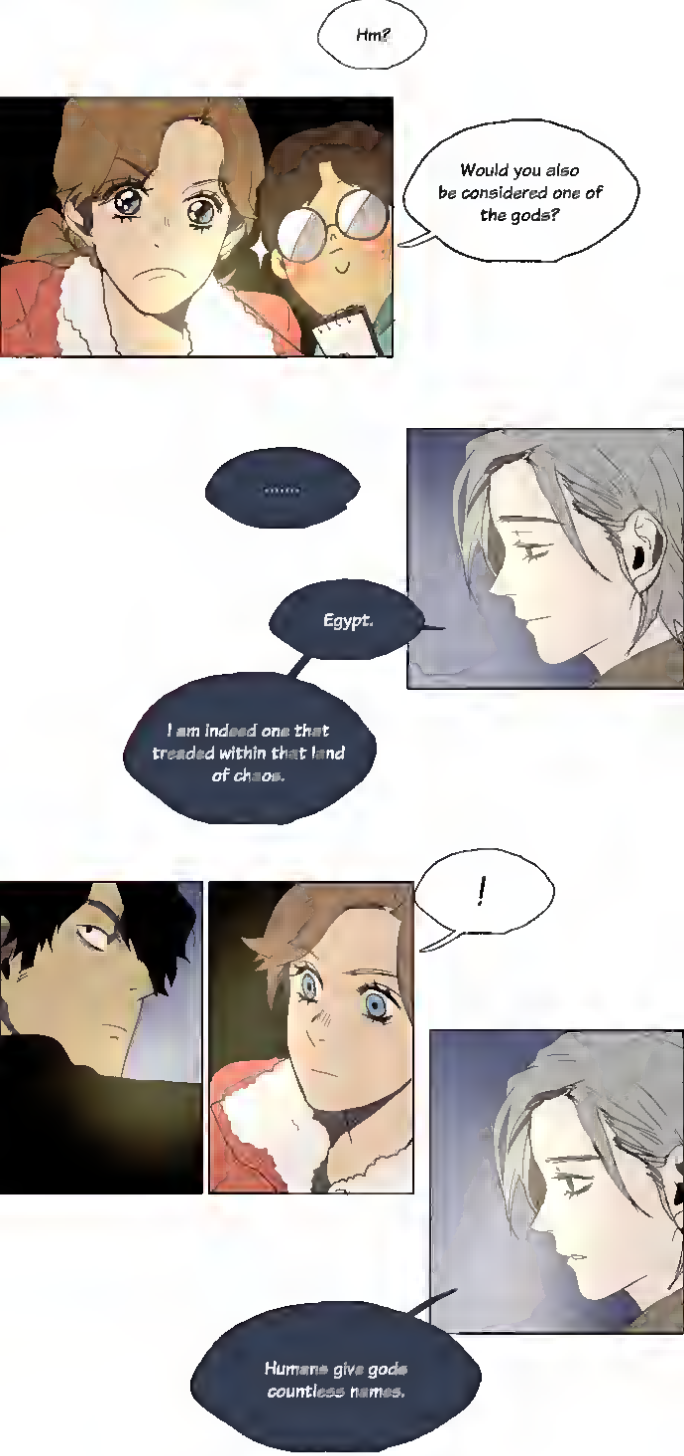
The guardian deity of the Pharaohs...

And the God believed to have created the world.

Then who are you?

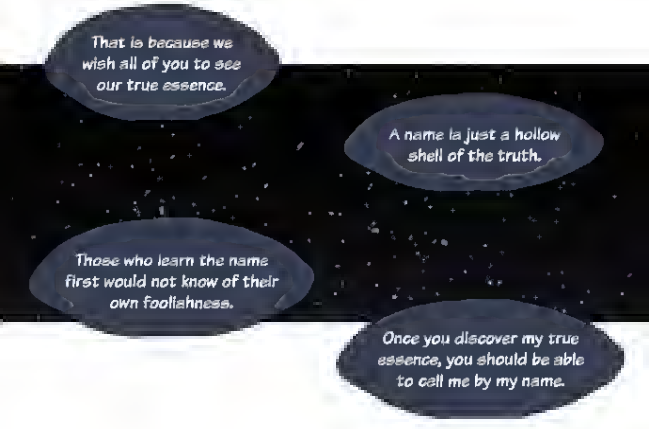


Are you also one of Egypt's many gods?



Hm?
Would you also be considered one of the gods?
.....
Egypt.
I am indeed one that treaded within that land of chaos.
!
Humans give gods countless names.

That's because...
Gods themselves do not tell people their names.
Are gods not allowed to tell their names?



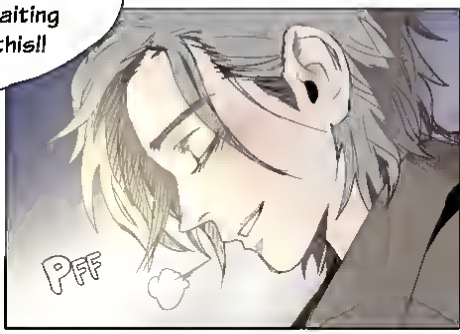
That is because we wish all of you to see our true essence.
A name is just a hollow shell of the truth.
Those who learn the name first would not know of their own foolishness.
Once you discover my true essence, you should be able to call me by my name.

S-So basically...
In order to call your name, we must find your true essence...
So, how are we supposed to find something like that?
That's a bit difficult.
That is not true.
The truth even lies within those stars.
Within the night air...
It exists everywhere.

Even within your eyes.
...!!
So what if we have countless names?
That is enough.
Those who create names know of us to a certain extent.

Pff!
Then Rano must be right in sensing your nature and calling you Flour, huh? I'm sure the 'truth' also lies within flour, after all.
That is incorrect.
Just refer to me as 'Lessa'.
Lessa??
HE SAYS STUFF ABOUT TRUTH AND WHAT NOT THEN GIVES HIS NAME SO EASILY
I-I'm Mienna Harris!
SPARKLE
SPARKLE
Please talk to me anytime you have anything to say!!

Because I'm ready to receive anything you say!! I've been waiting for a day like this!!



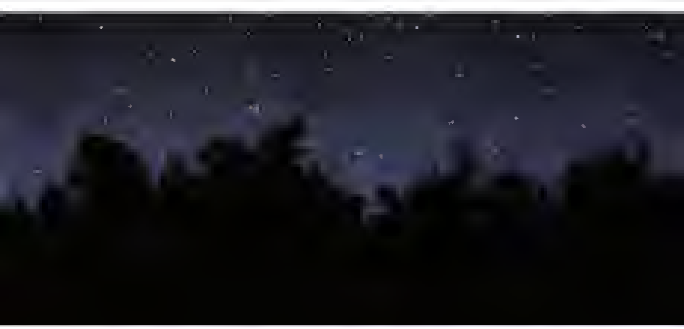
Hey God-hyung-nim. How many times are you going to warm up to this woman?

You were so cold to us too!

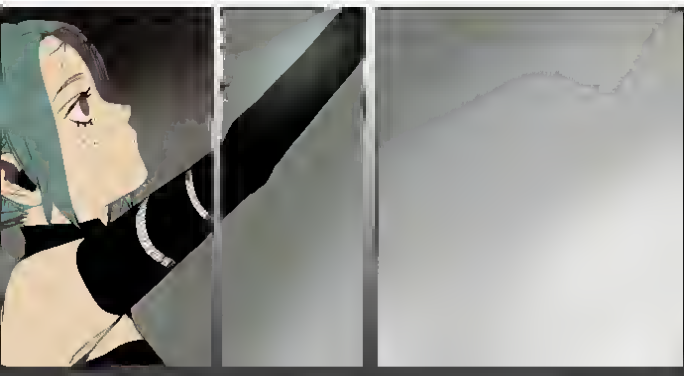
HEY WOMAN! ARE YOU INTO YOUNGER GUYS? IS THAT HOW IT IS? HUH?

HEH, BE JEALOUS ALL YOU WANT! IT'S NOT LIKE THAT!

THOSE EYES YEARNING FOR THE TRUTH ARE QUITE BEAUTIFUL.



Wow- This guy's seriously ugly.
GRRR
Blegh.



SOMEHOW,
I'M NOW IN CHARGE OF ALL
THE BOTHERSOME JOBS

After you stupidly came back in that state.

Did you see the monster in the room next door?
They want me to broadcast the thing.
Oho??
That sounds a lot more fun than just handing out balloons!
TIGHTEN
OWWW!! LUCY!! MORE GENTLY!

They seem to be planning on making those monsters the 4th generation.
...I wonder what they're trying to do?
I think I know.
Don't you guys think you're getting a little out of hand? Seriously.
I mean, us three are the only members of the 3rd generation.

What do you know? Little kid.
Not like you stayed here for over a hundred years.
Ah- That's right. The doll room.
?
You know about it, right? The doll room.
Bell killed countless 3rd generations and stuffed them in that room.
Whether they didn't listen or were injured, Bell killed them on any ridiculous reason.

The only reason why she's able to get away with that is because Ares-nim is here.

Since Ares-nim can create as many 3rd generations as he needs, their lives are disposable.

But even then, he salvaged me several times...

Do you know what that means?

That means he has a plan in store for me.

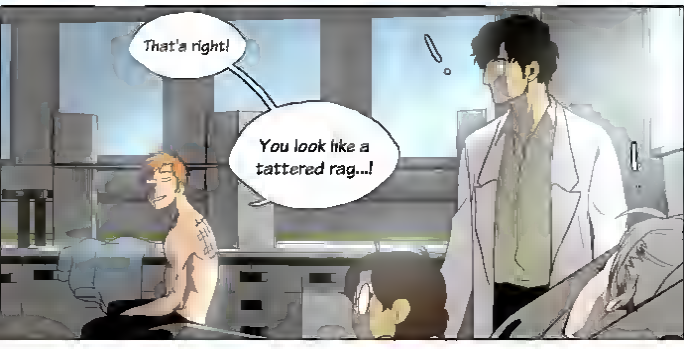
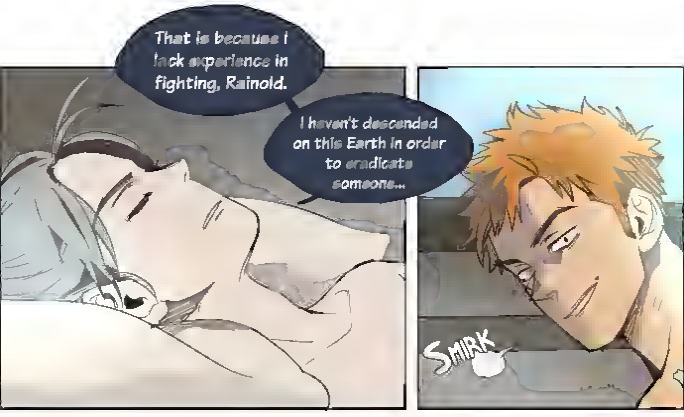
Look here, Mr. Lessa.
Seeing your regeneration speed, it's clear that you aren't human, but...
Right now you're basically a sack of meat with bones.
Your insides have ruptured and you even have a concussion. Be careful, damnit!

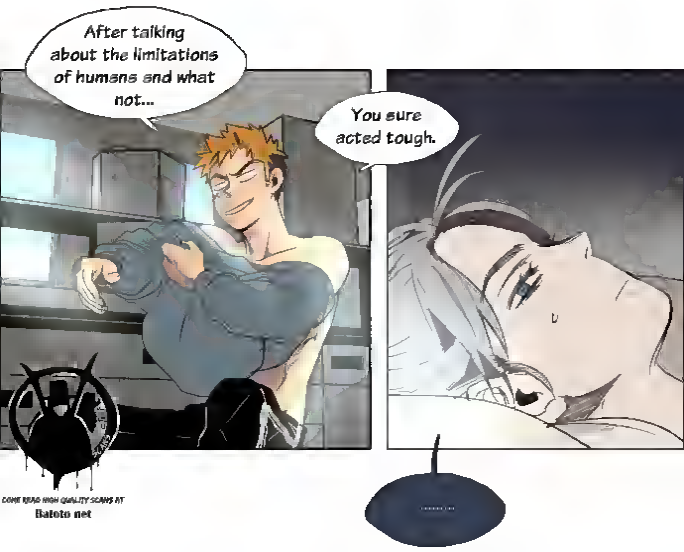


That's right!
You look like a tattered rag...!

If it wasn't for me, what do you think might have happened?
Hm? Don't you remember?
STARE
You were easily tossed aside back there.
I guess you're just a weakling after all, huh?



That is because I lack experience in fighting, Rainold.
I haven't descended on this Earth in order to eradicate someone...
SMIRK



After talking about the limitations of humans and what not...
You sure acted tough.

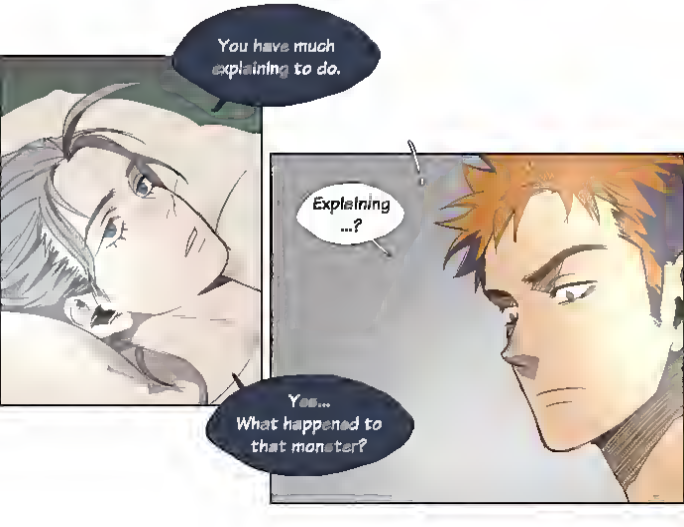
Calm yourself...



You have much explaining to do.
Explaining ...?
Yes... What happened to that monster?

Ah!
That monster... I incinerated it.
To tell the truth, I'm not really sure. I was quite shaken.

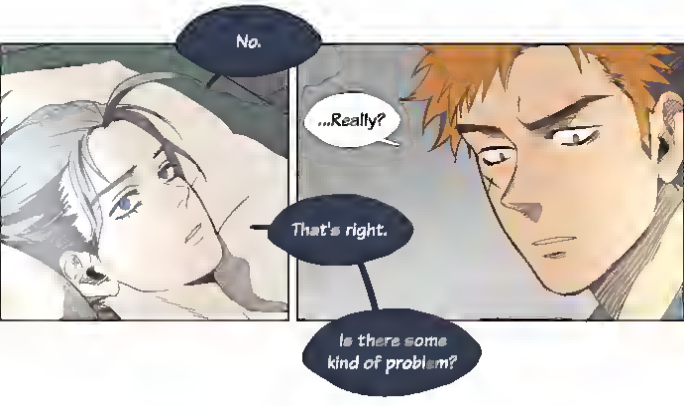
That monster was lunging at me...
And in that moment... I just thought that I really do need a gun.

But surprisingly, something appeared on my hand
It looked like a gun.

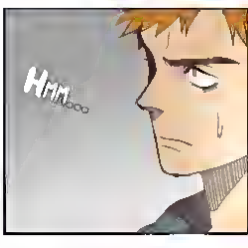
...Is that all?

Well...

Hey.
Do you have any siblings?

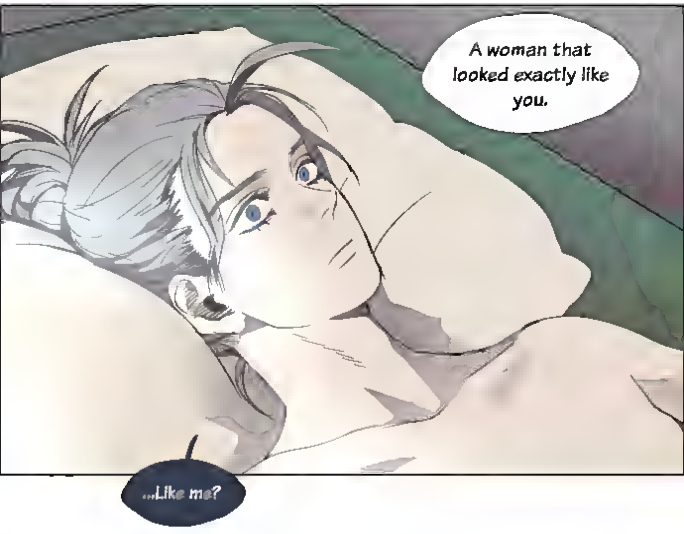


No.
...Really?
That's right.
Is there some kind of problem?

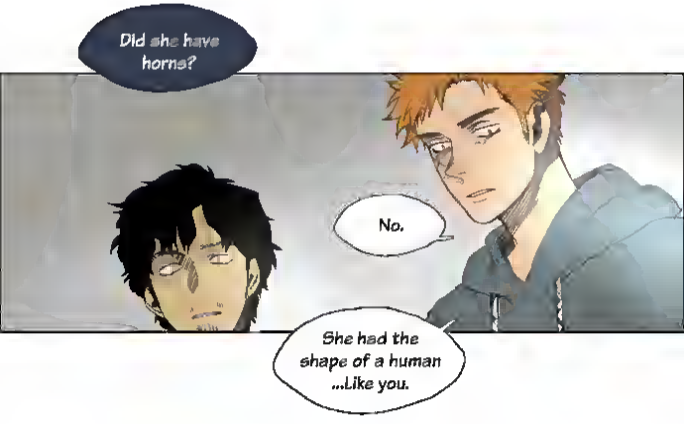


Hmm...

...Well you see...
I recalled something I had long forgotten.
5 years back, I had lost my mother to one of the Demans.
I went and fought with that monstar.
But then, suddenly...
A woman appeared from within the deman that killed my mother.



A woman that looked exactly like you.
...Like me?



Did she have horns?
No.
She had the shape of a human ...Like you.

No, more than that...
I suppose you couldn't call her human.
She waa ahining bright and...
She was floating in the air like a ghost...

She looked like a Goddess.
...?!
Rano...? Don't tell me...
Are you telling me that this guy disguised himself as a woman 5 years ago...?
WHISPER WHISPER
No! She was a woman! She was completely nude.
Gasp.
...Rainold. I don't really know what you are talking about, but...
That was not a Goddess.
Rah and I are the only two gods.

She was really ominous.

That existence itself...
